Albert Plesman, founder of Dutch airline KLM, had a simple yet inspiring vision: to connect the world and foster mutual understanding. Today this vision to bring people together lives on in De Plesman where we honour his legacy by connecting guests, residents and visitors to the local community, to colleagues and clients, to friends and family, to art, history and culture, to our beautiful city, and to nature.

Food & Drinks

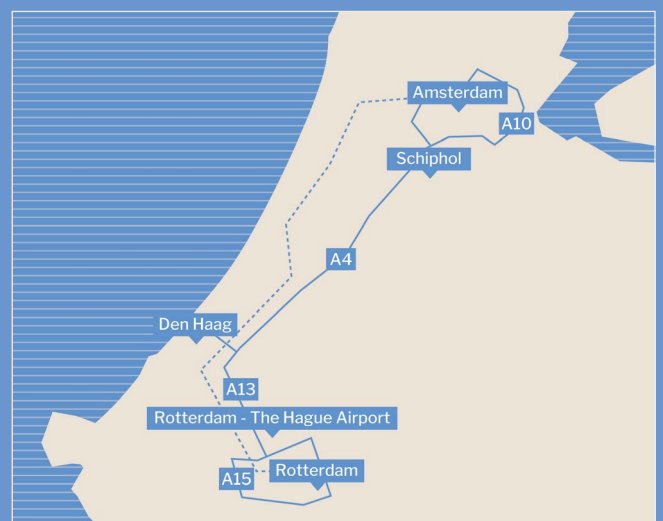

Restaurant Suus and Albert Bar & Lounge offer an enticing range of modern cuisine. Open to guests locals alike, Suus and Albert are superb spots to connect with friends and family, meet with colleagues and clients, or simply mingle and make new connections. Both our restaurant and our bar & lounge are operated by a renowned local chef, who created the menus especially for De Plesman. For larger groups of up to 70 people, we offer an intimate dining experience.
